Hi Nicole, Please call me Michael.

I apologize for not responding sooner. I have had some personal/family issues and have been trying to catch up.

Sherman is continuing to work with Key Engineering Group, the WDNR, and the EPA as well as the responsible party for a resolution to this matter. We are also hopeful that the WDNR will be sending PPG, a Responsible Party Letter to try and get PPG to cover/contribute to the environmental remediation.

We have a conference call next week on Friday, 3/15/19 and I hope to have an updated status.

Thank you for your patience and please don't tell my client that I dropped the ball in responding to you.

Please give Adam my best.

Thank you,

Michael
